+ ATTENTION TO ALL LANDCRUISER 1HDFTE OWNERS.

Denco are seeking the above vehicles for design and development of Water to Air Intercooler Systems. If anyone owning one of the above vehicles would like to have a Denco Intercooler system fitted to their vehicle at a discounted price they should contact us today.

Please note that we would need your vehicle for one week.

+ GARRETT WEEKLY STOCK EMAIL.

We are now sending out a current stock listing of Garrett new and reman parts at Denco via email. Prices aren't included on the stock list, so please ring to confirm price. Quantities are also subject to prior sale.

Reman small parts have an R after the part number, while reman turbochargers and core assemblies are -9xxx and are sold on exchange basis.

If you haven't been receiving the list and would like to please let us know! Also please let us know if you would like to be removed from the list by sending a return email.

NEW TURBO PRODUCTS.

We are now stocking a large range of late release John Deere turbochargers and cores.

Just some of the many models we have in stock are:

S200: suit 6068/6068H/6068T Engines (6.8Ltr)

S300: suit 6081A/6081H/6081 Engines (8.1Ltr)

S400: suit 6125/6125H Engines (12.5 Ltr)

DID YOU KNOW?

Denco can offer a fully repairable replacement Borg Warner or Garrett turbocharger to suit Safari and AXT turbo systems at a great price!

Note: Minor modification may be required.

Just a reminder, each Denco Turbo system is matched with a specific turbocharger to match your vehicle.

+ EMISSIONS TESTS NOW AT DENCO.

We are now offering Emissions Testing at our workshop for compliance with ADR 30/00. This is performed by utilising the latest Bosch Technology and is NSW State Government Accepted.

ADR 30/00: Explanation
ADR 30: Diesel Engine Exhaust
Smoke Emissions

The function of this Australian Design Rule is to limit the opacity of 'Diesel Engine' exhaust smoke emissions.

+ NEW FUEL INJECTION SERVICES.

Denco are always trying to improve our services to your business. We will be repairing Bosch common rail systems including injectors by February 2009.

Please keep checking our newsletters and website for updates.
